

OHS - OUR BUSINESS

It is our core belief that all workers will return home from work safely and unharmed.

PEP Transport applies risk management to all areas of its business, and risk management is critical to the successful management of occupational health and safety within our workplace.

At PEP Transport safety is paramount and our #1 priority!

OHS & CoR

The management of PEP Transport is committed to providing a safe and healthy working environment for all employees and contractors, and anyone who may be affected by the work that we do.

To reinforce our commitment to safety we follow a Chain of Responsibility.

A graphic consisting of three horizontal chains of metal links. A white rectangular box is centered over the middle chain, containing the text 'Committed to safety In the workplace'.
